

A BIG **THANK YOU** TO DAIRY FARMERS!

As we reflect upon a challenging dairy market, we want to take this opportunity to simply say **THANK YOU!** Thank you for getting up at 5am every day and working 365 days a year, including holidays, no matter how bad the weather may be. Thank you for your dedication to quality milk production and helping make it possible for us to enjoy the most abundant food supply in the world. Especially ice cream – *a big thank you for ice cream!*

Thank you from the entire Hooper organization for everything you do. If we can ever be of service, please don't hesitate to give us a call.
