

More Work Gets Done... When We're on the Case!

Introducing The New Lineup Of Case Skid Steers

Built to provide easy access and exceptional productivity for agricultural, landscaping and construction jobs, Case Skid Steers deliver the power you need to get more work done, faster. With industry-leading bucket breakout force and hinge-pin height, and best-in-class horsepower model by model, Case skid steers will boost your performance and productivity.

- ✓ Newly designed cabs – 25% larger and sealed to reduce noise and dust
- ✓ New Power Stance chassis with up to 21% longer wheelbase
- ✓ Radial lift models engineered for digging, prying and pushing
- ✓ Vertical lift models for lift-and-carry jobs
- ✓ Variety of attachments for extra versatility
