# Krause Rockflex Discs.. The Best Your Land Can Get!

**F**ind out how you can conserve more soil and give yourself a productivity boost with a high-speed, high-acreage tillage solution from Krause and Hooper. Krause Rockflex finishing discs, primary tillage discs, and all-purpose discs are famous for providing superior crop residue management, greater soil tilth, and improved seedbed conditioning. Does your land deserve anything less?

## 8000 SERIES TANDEM DISC HARROW

The newest and best narrow transport Class II and Class III disc harrows in over a decade.

- Residue Razor™ Disc Blades – 5 times sharper than conventional blades
- Best in class narrow transport capabilities
- Innovative Quad-Fold™ System – reduces 36', 37', and 38' models to a 13' 5" transport height
- High visibility LED lighting for safer transport
